

CROWD FUNDING

Introduction to crowdfunding

- ✓ Crowdfunding is when many people contribute small amounts of money to support a project, idea, or business.
- ✓ It's mostly done online.
- ✓ **Types of Crowdfunding:**
 - ✓ Donation-based: People donate money without expecting anything in return (like for charity).
 - ✓ Reward-based: People give money and get something in return (like early access to a product).
 - ✓ Equity-based: People invest money and get shares or part-ownership in the company.
 - ✓ Debt-based (Lending): People lend money and expect to be paid back with interest.

Benefits and Challenges:

✓ **Benefits :**

- ✓ You can raise money without needing a bank or big investors.
- ✓ It helps you test if people like your idea.
- ✓ It can help build a group of supporters or future customers.

✓ **Challenges:**

- ✓ You need good marketing and people to support your project.
- ✓ If you don't reach your goal, you don't get any money

What is Kickstarter ?

- ✓ Kickstarter is a popular website where people can raise money for creative projects like art, music, technology, and games.
- ✓ **Work flow:**
 - ✓ Create a Campaign: Share your idea and funding goal.
 - ✓ Funding Goal: You only receive funds if your goal is met.
 - ✓ Rewards: Donors get rewards (like early access to products or special perks).
- ✓ **Features:**
 - ✓ All-or-Nothing: If you don't reach your goal, no money is collected.
 - ✓ Global Reach: Available worldwide.
 - ✓ Creative Focus: Ideal for innovative and creative projects.
